

UNIVERSITY OF ALGARVE

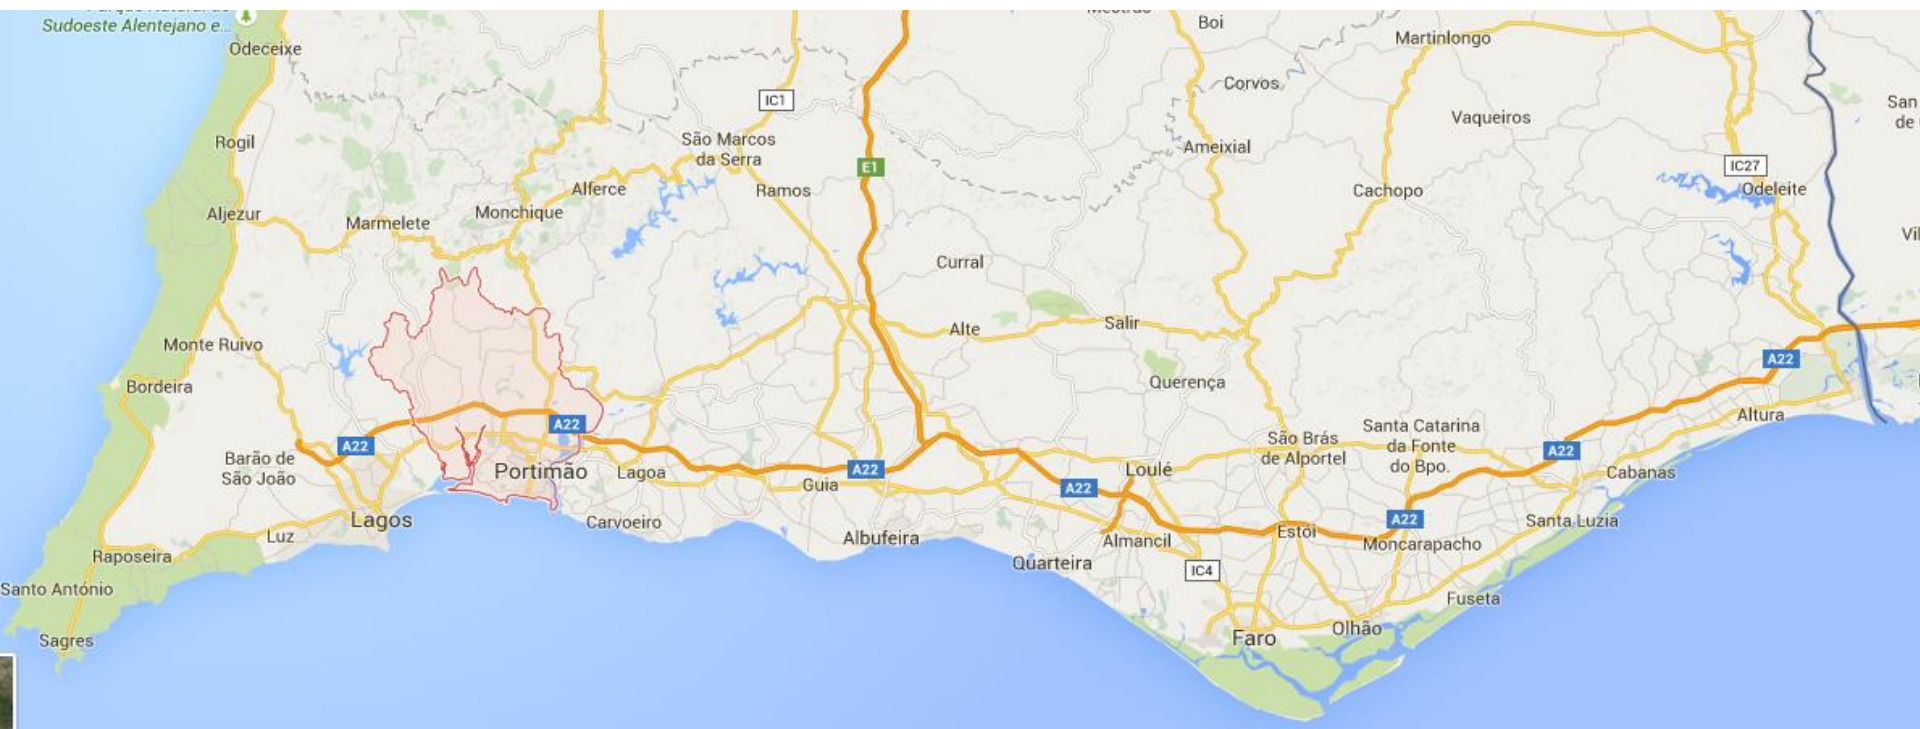

***A University committed to knowledge...
opening doors to minds worldwide***

Conceição Ribeiro

Mobility coordinator of the Institute of Engineering

Area : 4,996.80 km² resident population: 444.390 inhabitants

highest point is [Fóia](#), 902 metres in the [mountain range of Monchique](#)

length of the south-facing coastline is approximately 155 km

home of the [Ria Formosa lagoon](#), a [nature reserve](#) of over 170 km²

Apart from a mild climate and plenty of sunshine, the Algarve has a diversity of natural wonders. From the excellent beaches with sand out of sight to the splendid cliffs and the algarvian hills where traditions remain.
